WELCOME

WELCOME TO THE JOCKEY CLUB HAYDOCK PARK RACING CLUB

I am honoured to be involved with Haydock Park, a Jockey Club Racecourse steeped in history, which has held meetings since 1898 and stages top quality racing both on the Flat and over the Jumps. Among the 32 fixtures that Haydock Park hosts annually, we are proud to run the Group 1 32Red Sprint Cup in September and the Group 1 Betfair Chase in November as well as many other prestigious heritage races.

The Jockey Club and Haydock Park are keen to involve more people in the first-hand experience of owning racehorses, to offer better insight into the necessary preparations for racing and the heightened excitement on racedays as you support your runner. Therefore, they are proud to announce the launch of an exclusive Club: The Jockey Club Haydock Park Racing Club (JCHPRC).

Each year JCHPRC will have two horses in training, one Jump and one Flat, both in training with local trainers: Donald McCain and Tom Dascombe.

Joining the Club is an affordable way to fuel your passion for racing and participate directly in racehorse ownership. Share the experience with like minded people and enjoy the Club facility on Haydock Park racedays. With only 60 memberships available, this is an exclusive club opportunity not to be missed.

I very much hope this is of interest to you and that you will sign up for JCHPRC.

Lord Daresbury

Chairman, Haydock Park Racecourse

EXCLUSIVE RACING CLUB

JCHPRC

The Jockey Club Haydock Park Racing Club (JCHPRC) is an exclusive Racing Club for those with a passion to get closer to racing throughout the whole year. The Club will have two horses in training, one with Donald McCain for the Jump season and one with Tom Dascombe for the Flat season.

JCHPRC has a direct association with The Jockey Club affording greater privileges to the Members which includes racing at its other North West Region Jockey Club courses - Aintree and Carlisle. It also allows more flexibility within Haydock Park itself, providing access to a Members' facility on racedays and reserved parking.

Both runners will carry The Jockey Club colours and the Club will have a maximum of 60 Members. JCHPRC is delighted that Michael Owen, Sam Quek OBE, Sir Alex Ferguson CBE, and Adele Mulrennan will all be Associate Members of the Club.

RACING CLUB PRIVILEGES

- **An exclusive JCHPRC badge**, allowing entry into 64 fixtures at Haydock Park, Carlisle and Aintree (excluding Grand National Friday and Saturday).
- **Half price County Enclosure badges** for up to three guests at all Haydock Park, Carlisle and Aintree fixtures (excluding music nights and Grand National Friday and Saturday).
- **Access into an exclusive JCHPRC Members' facility**, on all Haydock Park racedays - serving tea and coffee and access to a private cash bar. Guests are welcome, subject to numbers.
- When one of our horses runs at Haydock Park, Aintree or Carlisle each member will be entitled to **one complimentary guest badge**.
- When one of our horses runs **Owners badges** will be allocated at random to those who apply.
- When one of our horses runs at another Jockey Club Racecourse, where possible, a **dedicated Members' facility will be provided**.
- An invitation to attend, with a guest, **an annual raceday lunch at Haydock Park**, including a champagne reception and a guest speaker.
- **Exclusive updates and newsletters** regarding the horses progress and entry into races.
- **Organised stables visits**.
- **Reserved car parking** at Haydock Park on racedays.

CLUB MEMBERSHIP

MEET THE TRAINERS

DONALD MCCAIN, BANKHOUSE, CHOLMONDELEY, CHESHIRE

Donald McCain has established himself as a leading trainer, with 1042 winners, in Northern England since taking over from his father, Ginger, in 2006. Ginger McCain trained the legendary Red Rum, the only horse to win three Grand Nationals, and again with Amberleigh House, the 2004 victor.

Notable big wins for Donald have accumulated £8,470,000 in prize money. Stars include Overturn and Cheltenham Festival winners Whiteoak, Peddlers Cross, Cinders Ashes and Cloudy Lane. Donald has also trained the 2011 Grand National winner, Ballabriggs.

Donald first rode under Rules, aged 15, at Haydock Park in 1986. He subsequently rode 50 winners over jumps. He then worked for Luca Cumani before being an assistant to Oliver Sherwood and returning home in 2006. Donald is one of Haydock Park's most successful trainers with 59 winners at the racecourse to date.

**TOM DASCOMBE,
MANOR HOUSE STABLES,
MALPAS, CHESHIRE**

In 2016, Tom saddled 75 winners in the UK and amassed £800,000 in prize money for his owners.

Over the last ten years, Tom has trained a number of Group winners both in the UK and abroad, and notched his first Group 1 and Classic success with Brown Panther in the Irish St Leger at the Curragh in 2014.

In addition, Tom has trained several Royal Ascot winners and is currently the leading Flat trainer at Haydock Park, with 69 winners, from 2010 to date. Not surprisingly his stable jockey, Richard Kingscote, is leading Flat jockey at Haydock Park.

Tom, a former jump jockey, started training in Lambourn in 2005. After early success, he was approached to join Michael Owen's training yard in Cheshire and moved to Manor House Stables in 2009.

The stables, formerly an arable farm, have been turned into a state-of-the-art racehorse training facility by Michael and his business partner, Andrew Black, founder of Betfair.

I am absolutely delighted that we are launching The Jockey Club Haydock Park Racing Club ... it has been an ambition of the Racecourse to create a Racing Club of this type and not a stereotypical horseracing syndicate. I am looking forward to being personally involved and will be working hard to make sure the Club is fun, as well as being a great success. I also have a feeling that the annual lunches will become one of the must attend social events in the calendar!

Jason Fildes

General Manager, Haydock Park Racecourse

There are **many benefits** to being part of The Jockey Club Haydock Park Racing Club:

- The opportunity to meet like minded members and keen racegoers, throughout the year.
